# WE SOLVE PAYMENTS

Sage 500 with
Paya Integrated Payments

Native Integrated Credit Card Solution

Streamline operations and boost business productivity with the only integrated credit card solution certified by Sage. Paya's Sage 500 payments integration is built directly into your ERP software. This means far less manual effort and automatic, seamless upgrades. Eliminate virtually all duplicate entry, and potential errors, with reports that are directly synced.

Our embedded integration is a complete out-of-the-box experience that offers:

- ✓ Multiple companies supported with 1 MID per company
- ✓ Accept Credit, Debit, and ACH
- ✓ Flexible Pricing Options
- ✓ Secure Payment Vault
- ✓ Data Optimization (Level 3 Enrichment)
- ✓ Multi-Currency Processing
- ✓ Paya's Advanced Fraud Protection
